With **Appraisal Institute Insurance Trust Group Term Life Insurance** for designated members, candidates, practicing affiliates, or affiliates of the Appraisal Institute (AI), you can apply for up to \$1,000,000 of coverage for both you and your spouse at competitive rates. You'll also have access to the following benefits:

PORTABLE COVERAGE: Maintain your valuable Appraisal Institute Insurance Trust Group Term Life Insurance protection throughout your career until age 90, as long as you remain in good standing with the Appraisal Institute, you pay your premiums when due, and the policy is still in effect.

20% DISCOUNT FOR THE FIRST TWO YEARS: An individual enrolled for the first time will receive a 20% premium discount for the first 24 months of coverage. This discount applies to Insured AI Professional rates only. (Dependents are not eligible.)

COMBINATION DISCOUNT: An AI Professional who is insured for both this policy and disability insurance under G-13776-2 issued to the policyholder by New York Life will receive a 5% discount off the contribution for both plans, provided the Insured AI Professional retains coverage in both plans. This discount will cease to exist when insurance under this policy or G-13776-2 ends.

TIERED PREMIUM CREDIT: For the past several years, AI Insurance Trust has provided premium credits to all insureds covered under our group term life plan.

Insurance through

Insurance Trust?

QUICKDECISIONSM: Members and spouses under age 51 applying for coverage up to \$250,000 may be eligible for automated underwriting, which allows the carrier to make an underwriting decision in real time. Based upon information gathered and medical questions answered online during the application process, a decision to approve your request for coverage can be delivered faster than ever before.*

**Most QuickDecisionSM applications can be processed without the need for follow-up; however, in certain cases a representative may need to contact you to verify information or to arrange a visit with a medical professional. QuickDecisionSM is not available for residents of MT and UT.*

ACCELERATED DEATH BENEFIT: If you or your spouse (if insured) is diagnosed as terminally ill with a life expectancy of 24 months or less, you may request one advance payment equal to 25% of your in-force life insurance while you are alive. (For terms, conditions, limitations, and exclusions, please see the Certificate of Insurance.)

BENEFIT INCREASE FEATURE: Gives you the option to accept an automatic annual increase of 10% of your initial insurance amount for 10 years, gradually doubling the insurance amount, subject to the policy maximum.

RIGHT OF CONVERSION: You may convert your coverage to an individual plan offered by New York Life, regardless of physical condition or history, under certain instances of involuntary termination, as stated in your Certificate of Insurance. This right of conversion is also available to your covered dependents. Conversion must be requested within 31 days of the date you become eligible for this provision.

ONLY ONE EXCLUSION: Suicide, whether sane or insane, within two years after a person's coverage becomes effective, is not covered. The premiums paid for the person's coverage will be returned. (Missouri Residents: Suicide during the first two years of coverage will be excluded if New York Life can prove that suicide was intended at time of application.)

AT DEATH OF AI PROFESSIONAL: If you die, life insurance then in force on your dependents may be continued, as long as they otherwise remain eligible by making timely premium payments.

How Much Coverage Can I Apply For?

To estimate a coverage level that's right for you, consider your present living expenses, your estate, and the future plans of your family—our Life Insurance Needs Calculator on [aaitplans.com](https://www.aaitplans.com) can help. Choose a benefit level that will help protect you and your family. You are eligible to apply for \$10,000 to \$1,000,000 (in multiples of \$10,000) of AI Insurance Trust Group Term Life Insurance for both you and your lawful spouse if:

- **You're a designated member, candidate, practicing affiliate, or affiliate of the Appraisal Institute in good standing**
- **You and your lawful spouse (if proposed for insurance) are under age 67**
- **You and your spouse reside in the United States (except territories) or Puerto Rico**

Coverage amounts for you and your spouse reduce at later ages. See "Maximum Amounts of Insurance at Ages 70–79" for more information.

Each unmarried, dependent child from age six months through age 24 may also be insured for either \$5,000 or \$10,000. A child from 15 days old to 6 months may be insured for \$500. A dependent who is also a designated member, candidate, practicing affiliate, or affiliate of the

Appraisal Institute is eligible for either AI Professional or dependent coverage, but not both. If both the AI Professional and spouse are covered as AI Professionals, neither may insure the other as spouse, and only one may insure any eligible children.

The total amount of coverage an individual may request under all Group Term Life Insurance plans underwritten by New York Life Insurance Company cannot exceed \$2,000,000 (\$1,000,000 in term life coverage, \$1,000,000 in level term life coverage). In addition, the total amount of coverage an individual insured may have by more than one group policy may not exceed plan maximums.

A child may not be insured for more than one \$10,000 benefit under all policies issued by New York Life Insurance Company to the Trustee of the AI Insurance Trust Life Insurance plan.

What Additional Details Should I Know About?

ACCELERATED DEATH BENEFIT: Available to help terminally ill insureds and their families, this feature is designed to provide an insured an opportunity to request one advance payment equal to 25% of their in-force life insurance to be paid while that person is still alive. To qualify, the insured must be diagnosed as having a life expectancy of 24 months or less, as well as provide any other necessary medical information requested. For additional details and limitations, please see the Certificate of Insurance. Please note that receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of tax counsel.

BENEFIT INCREASE FEATURE: You will have the option to accept an automatic annual increase of 10% of your initial insurance amount for 10 years, gradually doubling it. This can be done without medical underwriting, as long as the total amount does not exceed the policy maximum of \$1,000,000. You must be under age 70, not totally disabled at the time of increase, and the additional premium must be paid within 30 days of the benefit increase. You can stop the increases at any time, but once stopped, the automatic increase cannot be started again. This feature applies to AI Professional coverage only. The insurance date for each benefit increase is July 1.

CONTINUATION OF COVERAGE: While the group policy continues in force, you and your spouse may renew coverage by making timely premium payments until the January 1st following or coinciding with the attainment of age 90. Coverage for you and your spouse is reduced at ages 70, 75, 80, and 85. All insurance ceases for a dependent child upon attainment of age 30. Life insurance is not affected by retirement.

What Else Should I Know?

OWNERSHIP OF INSURANCE: “Owner” means the person or entity with rights of ownership of this insurance as described in the Certificate of Insurance. If a transfer of ownership has been recorded by or on behalf of New York Life Insurance Company, or initial ownership is by someone other than the AI Professional, according to the information provided in the application, references throughout this plan information to “you” or “AI Professional” will mean “owner,” as applicable.

YOU NAME YOUR BENEFICIARY: Your beneficiary is the person(s) last designated by you in writing, and recorded by or on behalf of New York Life Insurance Company. You are the automatic beneficiary for dependent insurance, as described in the Certificate of Insurance. If you wish to name a different beneficiary for spouse coverage, contact the Plan Administrator, at 800.222.9958 for the appropriate form.

EFFECTIVE DATE: Insurance will take effect on the date your application is approved, provided the initial premium contribution is paid within 31 days after you are billed and any person to be insured is performing the normal activities of a person of like age on the date of approval. (Payment of a premium contribution for insurance does not mean there is any coverage in force before the effective date as specified by New York Life Insurance Company.)

Note: Residents of NC: Any reference to “performing normal activities of a person in good health of like age” is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application.

WHEN COVERAGE ENDS: Coverage will end on the day before you or your insured spouse reaches age 90 (age 30 for children). Coverage will end earlier if: (a) the

premiums are not paid when due, (b) you are no longer in good standing with the Appraisal Institute, (c) the group plan is terminated or modified by the policyholder to end insurance for the group of insureds to which the AI Professional belongs, or (d) if the insured requests to terminate insurance. Dependent coverage will terminate when your coverage ends or the dependent spouse or child ceases to be an eligible dependent.

RENEWAL PAYMENTS AND CLAIMS: Once you are accepted into the plan, you will have a 31-day grace period for your payment of renewal premium contributions. When you want to submit a claim, call the Plan Administrator at 800.222.9958 for claim forms.

CERTIFICATE OF INSURANCE: This brochure is only a brief description of the principal provisions and features of the AI Insurance Trust Group Term Life Insurance plan. The complete terms and conditions are set forth in the group policy issued by New York Life Insurance Company to the Appraisal Institute Insurance Trust. When you become insured, you will be sent a Certificate of Insurance summarizing your benefits under the plan.

30-DAY FREE LOOK: If you are not completely satisfied with the terms of your Certificate of Insurance, you may return it, without claim, within 30 days. Your coverage will be invalidated and you will receive a full refund—no questions asked!
